Shrey Chauhan

Senior Engineering Manager @ Quantum
Bengaluru, Karnataka, India

Experience

Quantum

Senior Engineering Manager
October 2021 - Present (4 years 3 months)
Bengaluru

Lead the engineering team for Quantum's Unified Surveillance Platform (USP), which delivers optimized hyperconverged infrastructure for video surveillance. Contribute to USP's core architecture, reliability, and performance.

EnCloudEn

4 years 11 months

Director Of Engineering

February 2020 - November 2021 (1 year 10 months)
India

Led engineering for EnCloudEn's virtual desktop, private cloud, and HCI platforms. Drove architecture, product delivery, and team growth, contributing directly to the technology foundation that enabled EnCloudEn's acquisition by Quantum.

Senior Software Developer

January 2017 - February 2020 (3 years 2 months)
Karnataka, India

Virtusa
